

SHOW SCHEDULE – ADVANCED SKATERS

All advanced skaters read this through and if you have any questions please contact Chris Amy.

Rehearsal is an important part of show that is why you may only miss 2 rehearsals then you will not be allowed to skate in that show number. If you are going to miss a rehearsal you need to give Chris Amy a written note. **THIS INCLUDES LESSONS THAT ARE SCHEDULED FOR SOLOS AND DUETS.**

We have scheduled times for solos and duets. These people should have priority on this ice time for playing music and for their lesson time. Please keep this in mind and be courteous to those who are in lessons and those whose music is playing.
